Dear Sir:

In accordance with 37 C.F.R. § 1.137(b), applicant respectfully petitions for revival of the above-identified patent application which became unintentionally abandoned on September 20, 2004 (the next business day following Saturday, September 18, 2004). The present application became abandoned as a result of failing to acceptably response to the Notice of Non-Compliant Amendment dated March 18, 2004.

In accordance with 37 C.R.F. § 1.17(m), a check in the amount of \$1,370 is submitted to cover the fee for this petition.

Applicant became aware that the application had become abandoned on or about September 30, 2004 when the undersigned attorney received a Failure to Acceptably Respond to Notice of Non-Compliant Amendment dated September 27, 2004. A copy of that Notice is attached as Exhibit 1 to this petition. The entire delay from the due date for the required response until the filing of this petition has been unintentional.

Attached as Exhibit 2 is a Supplemental Amendment, which is now in full compliance with the Notice.

Respectfully submitted,
